#### Voting intention

### Resolution 6 – Approval of 10% Placement Facility

Resolution 6 seeks shareholder approval in accordance with Listing Rule 7.1A, which enables eligible entities to issue Equity Securities of up to 10% of their issued share capital (**10% Placement Facility**) through placements over a 12 month period upon approval at an annual general meeting. The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An entity will be eligible to seek approval for the purposes of Listing Rule 7.1A if:

- (a) the entity is not included in the S&P/ ASX 300 Index; and
- (b) the entity has a market capitalisation of \$300 million or less (excluding restricted securities and securities quoted on deferred settlement basis).

The Company is an eligible entity for the purposes of Listing Rule 7.1A.

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue only one class of Equity Securities, being Shares.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2. Further information on the formula is set out below.

The effect of Resolution 6 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1. Shareholder approval of the 10% Placement Facility is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (a) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; and
- (b) the date of the approval by shareholders of a transaction under Listing Rule 11.1.2 (a significant change to that nature of scale of activities) or Listing Rule 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**10% Placement Period**).

Resolution 6 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

### Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that an eligible entity which has obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 10% Placement Period, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A is the number of fully paid shares on issue 12 months before the date of issue or agreement:
- plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
  - plus the number of partly paid shares that became fully paid in the 12 months;
  - plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
  - less the number of fully paid shares cancelled in the 12 months.
- D is 10%.
- E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rules 7.1 or 7.4.

### Minimum Issue Price

The issue price of Equity Securities under Listing Rule 7.1A must be no lower than 75% of the volume weighted average price (**VWAP**) of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (b) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

### Specific Information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the approval of the 10% Placement Facility:

- (a) the Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:
  - i. the date on which the price at which the Equity Securities are to be issued is agreed; or
  - ii. if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) if Resolution 6 is approved by shareholders and the Company issued Equity Securities under the 10% Placement Facility, the existing shareholders' voting power in the Company will be diluted as shown in the table below. There is a risk that:
  - i. the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
  - ii. the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

## EXPLANATORY STATEMENT

The table below illustrates the dilution of existing shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- i. two examples where 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (e.g. a pro rata entitlement issue) or future specific placements under Listing Rule 7.1 that are approved at a future shareholders' meeting; and
- ii. two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% against the current market price.

| Variable "A" in Listing Rule 7.1A.2        | Dilution                                |   |  |   |
|--|---|---|--|---|
|  |   | Issue Price of 13.5 cents (half the current market price) | Issue Price of 27 cents (current market price) | Issue Price of 54 cents (double the current market price) |
| <b>Current Variable A</b>                  | 9,675,000 shares issued (10% dilution)  |   |  |   |
| 96,750,001 shares                          | <i>Funds raised</i>                     | \$1,306,125   | \$2,612,250                                    | \$5,224,500   |
| <b>50% increase in current Variable A</b>  | 14,512,500 shares issued (10% dilution) |   |  |   |
| 145,125,002 Shares                         | <i>Funds raised</i>                     | \$1,959,188   | \$3,918,375                                    | \$7,836,750   |
| <b>100% increase in current Variable A</b> | 19,350,000 shares issued (10% dilution) |   |  |   |
| 193,500,002 shares                         | <i>Funds raised</i>                     | \$2,612,250   | \$5,224,500                                    | \$10,449,000  |

The table has been prepared on the following assumptions:

- i. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
  - ii. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issues. This is why the voting dilution is shown in each example as 10%.
  - iii. This table does not show an example of dilution that may be caused to a particular shareholder by reason of placements under the 10% Placement Facility, based on that shareholder's holding at the date of the Meeting.
  - iv. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
  - v. The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
  - vi. The issue price is 27 cents, being the closing price of Shares on ASX on 26 September 2012.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 6 for the issue of Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change

to that nature of scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

- (d) The Company may seek to issue the Equity Securities for the following purposes:
- i. non-cash consideration for the acquisition of new exploration and/or development assets or for the purposes of securing potential joint venture transactions for exploration projects that may be finalised during the course of the year. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
  - ii. cash consideration. In such circumstances, the Company intends to use the funds raised towards the acquisition of new exploration and/or development assets, funding of exploration on the Company's Newfield and Crest Yard Projects, securing potential joint venture transactions for exploration projects that may be finalised during the course of the year and/ or general working capital.

The Company will comply with the disclosure obligations under Listing Rule 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

- (e) The Company's allocation policy will be dependent on the purpose of the proposed issue and the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.

The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to, but not limited to, the following factors:

- i. the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- ii. the effect of the issue of the Equity Securities on the control of the Company;
- iii. the financial situation and solvency of the Company; and
- iv. advice from corporate, financial and broking advisors (if applicable).

The Company notes that:

- i. any funds raised from the issue of Equity Securities under the 10% Placement Facility are likely to be applied towards the funding of exploration on the Company's Newfield and Crest Yard Projects and for spending on potential joint venture transactions that may be finalised during the course of the year;
- ii. it is not possible to determine whether any existing Shareholders would be invited to apply for any Equity Securities under the 10% Placement Facility, or determine the category of any new investors that may be invited to participate in such a fundraising. The allottees may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company; and
- iii. prior to undertaking any fundraising, the Board will have regard to whether it is in the Company's best interests to structure such a fundraising as an entitlements issue to all of the Company's existing Shareholders at that time.

Further, where the issue is made for non-cash consideration, it is likely that the allottees under the 10% Placement Facility would be the vendors of the new exploration and/or development assets, or the proposed joint venture partners.

## EXPLANATORY STATEMENT

---

- (f) The Company has not previously obtained shareholder approval under Listing Rule 7.1A.
- (g) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

## HOW TO COMPLETE THE PROXY FORM

### 1. Appointment of Proxy

**Voting 100% of your holding:** Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote as they choose. If you mark more than one box on an item your vote will be invalid on that item.

**Voting a portion of your holding:** Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

**Appointing a second proxy:** You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Section 1.

A proxy need not be a securityholder of the Company.

### 2. Items of Business

You may direct your proxy how to vote by placing a mark in one of the three boxes opposite each item of business. All your securities will be voted in accordance with your directions. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.
